Genius is being able to see what has been there all the time where others have not been able to see anything.....P.T. Barnum

This is the text that Smyrna Police Officer Mitchell Georgiana sent to his mother two days before his sudden passing. Mitchell called after this text to tell his mom he wanted the blankets to keep in his car to give out to the homeless. In wanting to keep Mitchell's memory alive, the family decided to honor his wishes with the blankets. It is the family's goal to work with police departments to furnish the patrol cars with a blanket. Not only to give to the homeless but to give to anyone in an accident or other type of trauma. Blankets are a comfort!

Donna Georgiana, Executive Director • 770-596-9921
georgiana4743@comcast.net • www.gotchacoveredblankets.com

This text is the reason that Gotcha Covered Blankets was formed and exists to honor Mitchell's desire to help others. Since our foundation was formed in 2022, we are proud to report that we have placed blankets in all 6 cities within Cobb County, Cobb County Police Department and the Cobb County Sheriff's Department's patrol cars. Additionally, we have placed blankets in the patrol cars of Hiram, Dunwoody, and the Jasper County Sheriff's Department, as well as in 9 countries.

On January 26th of this year, Gotcha Covered Blankets was recognized on the floor of the GA State Capitol by State Representative, David Wilkerson, who presented a proclamation to our foundation in support of our mission. This honor was followed by our First Annual Gala where we recognized officers from across the county for their acts of kindness and generosity, as well as the warmest blankets stories.

Gotcha Covered Blankets pictured with State Rep, David Wilkerson at the GA State Capitol.

Join us for these future events that enable us to continue to place blankets in patrol cars for those in need of comfort:

- June 22, 2024—3rd Annual Harley Davidson Ride
- October 10, 2024—3rd Annual Golf Tournament @ Dogwood Golf Course
- January 24, 2025—2nd Annual Western-Style Gala

Did You Set Health Goals This Year?

Lose weight, exercise more, eat less junk food? How is that going? Does it seem like you lost your motivation around the middle of January?

I felt the same way! But we can restart.

We just need to take one simple step!

Real nutrition.
Real simple.

What Does Eating Healthy Mean?

The simplest answer is to eat more fruits and veggies! Fruits and vegetables can impact your overall health in a big way.

Here are Just a Few of the Benefits:

- Heart health
- Gut health
- Improved memory
- Diabetes prevention
- Reduced cancer risk
- Stronger bones and teeth
- Better sleep
- Concern for the next generation

juiceplus+

Juice Plus+ is one simple step to get all the micronutrients (a fancy word for essential stuff our body needs!) from 30 fruits, vegetables, and berries each day. It's an easy way to help bridge the gap between what we eat and what our body actually needs

If any of the benefits listed above are important to you, give me call, and let's talk!

Brenda Dixon
Certified Health Coach

Smyrna's First Jonquil Festival

When Smyrna's Jonquil Festival made its first appearance in March 1984, it was an event which lasted a week and was sponsored and coordinated by the Smyrna Chamber of Commerce, with the cooperation of many of the other civic and service organizations in the area. The Festival began on Sunday, March 15, with a tour of the city which included viewing the millions of jonquils which were actually blooming at the time. But there was also a decided "nip" in the air.

Monday, March 16, was set aside for a Get Acquainted Party for the contestants in the Jonquil Queen Contest. Thursday, the rehearsal for the Queen Contest was held. Friday, March 20, was the day set aside for the contest itself in which contestants would compete for a \$100.00 Series E United States Savings Bond, a week-end trip to Jekyll Island for the winner and her parents, and a personal appearance on the "Today in Georgia" television show, which was on WSB-TV in Atlanta for years.

The contest, for Smyrna area ladies, 16 to 21 was sponsored by the Smyrna Civitan Club with assistance from the Smyrna Jaycettes, the Opti-Mrs. Club, and the Business and Professional Women.

The first Jonquil Queen was Renee Clark, Runners up were Tina West and Kathy Moore. (*Volume 1, Number 2 of the Lives & Times a Publication of the Smyrna Historical & Genealogical Society, Inc.*)

Downtown Marietta 1950s

Picture taken from top of Strand Theater

Do these sayings sound familiar?

- Were you raised in a barn?
- What part of "no" did you not understand?
- Nobody never said life is fair.
- I didn't ask you, I told you.
- I don't want to hear it.
- Go ahead! See what happens.
- Don't make me have to come in there.

.....Compliments of Woodland Ridge

Interesting Facts about the 1950's:

- This was the period when Francis Crick, Rosalind Franklin and James D. Watson discovered the helical structure of **DNA** in 1953. This discovery was noted at the Cavendish Laboratory, which was at the **University of Cambridge**.
- This was also the period when the first modern credit card was introduced.
- The **first photocopying machine** was created in the 1950's. However, it did take considerable **time** for the popularity of the machine to spread all over.
