Craig Mcilvain is the visionary behind CraigAds. With a wealth of experience serving over 2000 local businesses throughout his career, Craig is a seasoned expert in the world of digital marketing. His expertise spans across various advertising channels, including Google Ads, SEO, and more. He realized as he serviced local businesses that service level coming from marketing agencies is not up to par with the demands of those businesses. This moved him to start his own agency that is aligned with his vision and values that treats business owners the way he would want to be treated.

We are a husband and wife team passionate about turning houses into homes. NETWORKING OPPORTUNITIES

The **Smyrna Business Association** was formed in 1983 by a group of business people striving to make Smyrna a more inviting place to establish and conduct business. Today, the SBA seeks to promote, engage, and connect business people in Smyrna through outreach, programs, education, and networking. By working together, the business community and our elected officials will plan and bring forth projects that will continue to make the Smyrna area a leader in Cobb County's business community, and a vibrant, desirable environment in which to work and live.

You can also connect with the SBA on Facebook and Instagram, and receive text message updates by texting "TEXT" to 678-515-9700 Or you can call Derek Chard at 860-869-2592 for more info
